

Connectivity as a Service. All-inclusive. No Commitment.

With new worldwide coverage, faster speeds, and a choice of two ultra-compact terminals, AgilePlans Regional is an ideal solution for fleets with smaller vessels, smaller data needs, or that typically work in regional waters.

All AgilePlans Regional Plans Include:

- **Hardware & more:** A choice of the TracPhone® V30 system with single cable and DC power, or the TracPhone V3HTS hardware with advanced network management tools. Both include free shipping and installation*, zero maintenance costs, cybersecurity training, and KVH OneCare.™
- **Airtime at a fixed monthly price:** When your monthly high-speed data is consumed, the TracPhone terminal automatically shifts to the shaped plan with unlimited usage and no overage charges.

TracPhone V30 & V3HTS Global Coverage Map**

- Ku-band Coverage
- Anticipated Future Coverage
- TracPhone V30 & V3HTS have a 2-axis stabilized antenna pedestal design that does not provide coverage in areas where the satellite is directly overhead.

**The map depicts KVH's expectations for the mini-VSAT Broadband HTS Network's coverage. For the most up-to-date coverage maps, visit kvh.com/htscoverage. Actual coverage and availability may vary. Data rates may also vary in different regions. KVH provides no guarantees of satellite coverage or availability.

AgilePlans Regional General Terms

- All prices are in USD and do not include any taxes or fees that may apply.
- mini-VSAT Broadband published data rates are rate plan maximums and may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions and its uninterrupted availability is not guaranteed.
- All services and plans are subject to the CAC Master Services Agreement.
- KVH Authorized Installation Plan is required. A \$250 one-time fee applies.
- Subscription period is month-to-month and automatically renews on a monthly basis.
- When the data allocation for the high-speed rate plan has been consumed, service will automatically shift to the reduced data rate shaped plan with no overage charges until the end of the calendar month. The high-speed data allocation will reset at the beginning of each month.
- Plan upgrades may be made and will go into effect at any time. Plan downgrades go into effect at the start of the next month. For complete details on plan changes, refer to the Airtime Rate Plan Change/Suspension Policies. Please contact airtime@caclase.co.uk for details.
- Service suspension is permitted and is available in 1-month increments with no minimum or maximum limit. VoIP-only Suspension Plan is required. \$318 monthly fee applies, with a suspension and reactivation fee of \$100 for each event. Please contact airtime@caclase.co.uk for full details
