- Long distance phone service with simple, single price worldwide
- Includes one phone line for Enhanced Voice Service with the option to add up to five virtual numbers for inbound local calling
- Flexible suspension policies
- Month-to-month service with no annual contract for purchased equipment

STEP 2: Activate the integrated KVH cellular service

Take full advantage of KVH ONE's global hybrid network covering 150+ countries by choosing to activate the optional integrated KVH cellular service for only \$99/month! Visit kvh.com/iteglobalzones for details on per-country cellular data costs.

¹ 5G and LTE-A cellular speeds where available and compatible with the KVH- or user-supplied SIM cards and service

² Published data speeds are maximum speeds and may vary in different regions and under different conditions

³ Excludes BitTorrent and similar protocols

Enhanced Voice Service

KVH's Enhanced Voice Service is a managed solution optimized for satellite communications and fully integrated into the KVH ONE Global HTS Network. Network voice prioritization assures that bandwidth is allocated to the telephone line to ensure a high-quality VoIP connection. With Enhanced Voice Service you will enjoy always-on voice connections and a great suite of convenient features and account management tools that you can access anywhere in the world!

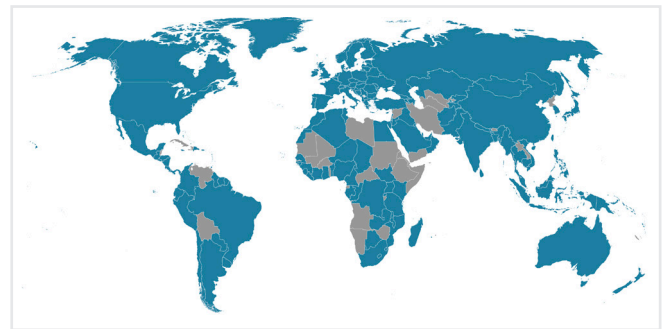

TracNet H30 Global HTS Coverage

-  Ku-band Coverage
-  TracNet H30 has a 2-axis stabilized antenna pedestal design that does not provide coverage in areas where the satellite is directly overhead.

**The map depicts expectations for the KVH ONE global HTS network's coverage for the TracNet H30. For the most up-to-date coverage maps, visit kvh.com/tracnetmaps. Actual coverage and availability may vary. Data rates may also vary in different regions. KVH provides no guarantees of satellite coverage or availability.*

TracNet H30 Cellular Coverage

The KVH ONE cellular airtime plan is a monthly credit towards usage in all active destination zones. Usage is calculated and charged by the MB at each destination zone's \$/GB rate. The Tier 1 and Tier 2 zones are on (active) by default, while you have the option to activate the Tier 3 and Tier 4 zones. Visit kvh.com/teglobalzones for details.

General Terms

- All prices are in \$USD and do not include any taxes or fees that may apply.
- All services and plans are subject to the KVH Master Services Agreement.
- HTS network published data rates are rate plan maximums and may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions and its uninterrupted availability is not guaranteed.
- No annual contract for purchased equipment; rate plans are month-to-month, automatically renewing on a monthly basis. For leased terminal equipment, the contract term must be concurrent with, and extend to, the end of the lease period.
- VoIP-only Suspension Plan is offered at \$50/month with no limitation on the number of months. May not be used as activation plan. Plan change fee does not apply.
- When not in use, cellular service may be suspended independently of the satellite service. A \$9.99/month fee applies during suspended months.
- Subscribers are not permitted to use the global HTS service for BitTorrent and all such data-intensive applications and protocols will be blocked by KVH.
- Subscribers are permitted to change HTS rate plans and switch between unlimited use and metered plans with certain restrictions. \$100 fee applies for plan changes to lower priced plans (excluding VoIP-only Suspension Plan), except during the first 90 days of service to allow the subscriber to determine the plan most appropriate for their usage needs. For complete details on plan changes, "Airtime Rate Plan Change/Suspension Policies" at kvh.com/airtimeresources.
- One voice line with a KVH-assigned phone number is provided at no charge and is carried via the global HTS network. A user-specified voice line phone number is \$31/month.
- Virtual local phone numbers can be added for a monthly fee of \$31 per number (5 max.) where available/subject to in-country regulations.
- Both incoming and outgoing calls are charged at \$0.59/minute. A few select countries and satellite phone services are blocked. Contact KVH Airtime Services for special rates for these areas and services.
- Global Static IP Service is available for \$30/month per IP address. Visit kvh.com/staticip for details.
- BitTorrent and all such data-intensive applications and protocols will be blocked by KVH.

Additional Terms for Unlimited Use Rate Plans

- When the data allocation for the high-speed rate plan has been consumed, service will automatically shift to the reduced data rate plan with no overage charges until the end of the calendar month. The high-speed data allocation will reset on the first day of the following month.
